Quince Anos

Here in Mexico when a young lady turns 15 (her Quince anos), whether poor or rich, this birthday is celebrated like none other! It is literally like a wedding celebration without the groom. This month, the Vida Nueva (New Life) church as part of the bride of Christ, 'chosen of God, holy and beloved' will celebrate her 15th birthday. Being one of the first churches of 5 churches that God used us to plant here, we are very grateful to God. Bearing with one another she, has had to persevere through many troubled waters, **but God** has provided the strength and discipline to continue against the darts of the enemy. In answer to your many prayers, this church has impacted the city of Zihuatanejo

and it's surrounding areas with the love of Christ and the Truth of His Word. It is with an abundance of gratitude to God that we thank you for you have had a significant part in feeding His sheep!

Quiet Waiting (By the Still Waters)

As all the politicians here and in the States talk of complete and aggressive change, Guillermo has seen Evangelism Explosion in Mexico undergo a complete change in the board of directors as well as having the responsibility of Specialist in Development of Nations

added to his job as coach of Latin American Global Development Project.

However, He, a very active motivator in evangelism, is presently in the position of quiet waiting upon God for the qualified person to take this position who will be willing to

give the humility and sacrifice needed to serve. His confidence is in God, who is the only one who can bring the real change that is needed in Evangelism Explosion Mexico and the real transformation needed to reach the whole country with the Gospel.

FEED MY LAMBS

Compassion, kindness and gentleness are needed always in great measure when dealing with the needs of the "Manos de Dios" children's home. Because of inconsistencies in the government agency that oversees that the children remain in the home, the number of children has gone from 9 to 4 in the past month. We will be increasing the number on our board of directors to make sure that there is always the right accountability and the new house parents will continue to do a good job of showing the children that God does have a place for them and that He, as well as they, will be there for them.

The lambs are not only the children in need of a shepherd, but the new believers just beginning their walk with Christ. Some of you know that this past month one of the church members, the father of a small family, was kidnapped. Miraculously, he was, after 4 horrendous days of captivity and many imploring prayers, released! Now his extended family is making professions of faith because of His witness. One of which is an exercise dance teacher for whom Stephanie Anne had prayed! Those of you that have followed our prayer letters for many years know that God has chosen to answer yes to Stephanie's prayers for the salvation of her various teachers in ballet, swimming and exercise .

M y s h e e p h e a r m y v o i c e

The last 3 months have been very active months for the drama/puppet team. God is uniting the group in the bond of peace as you pray. Thank you.

We have presented skits teaching biblical principles, larger plays and neighborhood puppet presentations in coordination with those trained in EE to reach out with the good news of the Gospel and supply the members of the church with new families they can teach and make disciples in their neighborhood.

Also Jennie and Stephanie Anne have been asked by Linda Summer, the director of the Agape Puppets, to come help her in the ministry that God has given her to Ireland in August of this year for two weeks. They will only need to raise the money of their flight there and back by the end of June.

Please pray for God's provision and if you would like to contribute you can send your checks to : The Uncle Hank Memorial Fund, c/o Presbyterian Evangelism Fellowship,, 425 State Street, Suite 312, Bristol, VA 24201. Be sure to designate the gift for Jennie and Stephanie Anne Salinas. All gifts are tax deductible. We will need to have these funds by the end of this month in order to make the reservations.

Stephanie Anne would greatly appreciate your prayers as she seeks to be able to go to a Christian ballet intensive summer program in Jackson, MS. the end of June. She is working toward this as she follows His leading!
