“... go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything that I have commanded you ...”

Matt. 28:19 20

**My ministry is to take the faith of the Reformation back to Europe.**

**CHURCHES GALORE in Europe, BUT WHO IS PREACHING CHRIST?**

One of the heartaches in Europe is that young believers have no Reformed Church to attend where they work, or where they live. Will you support us with your prayers, & mission dollars?

**Homesteaders Needed—Time to Stake a New Kind of Claim in Iraq.**

(Title and quotations from an article written by Mindy Belz, from World Magazine.)

“This issue’s cover story illustrates how a crisis arises when the streets are not safe for girls to go to school and for men to run a business. Thankfully that’s not the story everywhere in Iraq, but it’s true it has forced millions of Iraqis to shutter their stores and leave their homes (not to mention bury their loved ones), many of them for good.”

“Soldiers on the street make an immediate difference. Following recent violence, Iraq army units beefed up their numbers in Mosul to 35,000 and things are improving again,. One of the lessons of the Iraq War is that the United States did not put enough boots on the ground when it should have.....”

“If civic institutions, small businesses, and ordinary folks don’t recapture their communities as places where children can play, without being shot, where men can repair cars without being blown up, then Iraq cities won’t work again. The United States will leave the country poorer than it found it—possibly even a failed state someday like Somalia. No matter how strong a war opponent one is, this shouldn’t be acceptable from either side of the aisle in Congress or from both ends of Pennsylvania Avenue.”

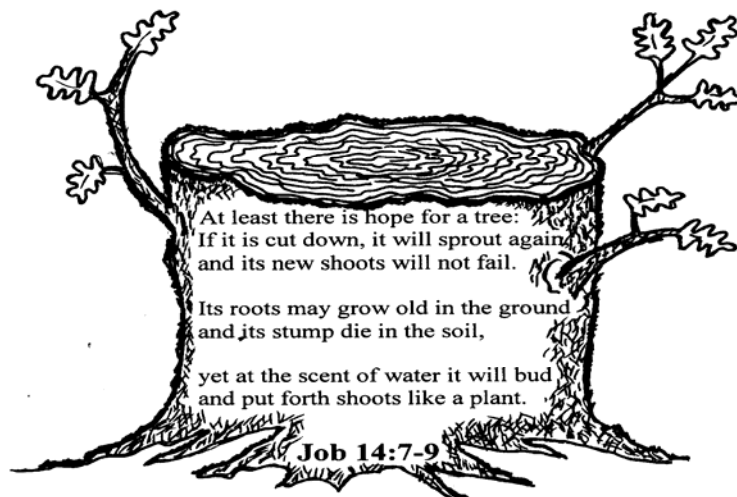

“So as U.S. forces look to begin a significant withdrawal of troops culminating in 2010-2011, I say: Now comes the hard part. Who will help Iraq remake itself?”

**I have been invited back to Iraq to do what I do, in other countries.**  
**\$5,300 is needed for this summer’s trip to IRAQ.**

**The team will help in the following ministries:**

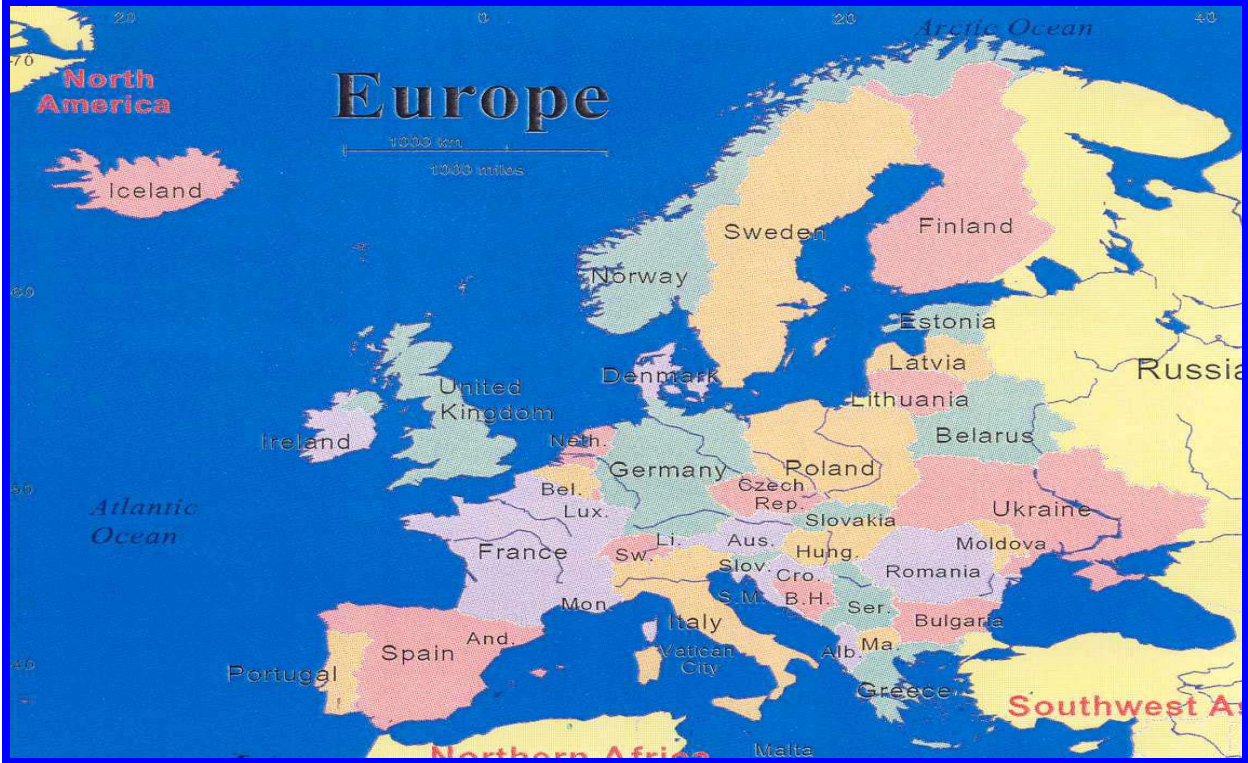

- **Summer Camp**
- **Teaching Training Team**
- **Pastors Conference**

**It’s a good situation to be working with and under the authority of a godly National pastor. We thank God for this wonderful opportunity to serve.**
