PRAYER CALENDAR - for PEF Evangelist Paddy Cook

Prayer is the Christian's business. "As it is the business of tailors to make clothes and cobblers to mend shoes, so it is the business of Christians to pray." Prayer then is not an option with the Christian; it is an obligation. He does not have the right to choose whether or not he will pray. He must pray. To be a Christian without praying is no more possible than to be alive without breathing." Martin Luther

PRAYER REQUEST - from Paddy Cook
THIS IS NOT THE TIME TO RETREAT WITH THE GOSPEL IN EUROPE

1. PLEASE PRAY FOR \$10,000.00 TO SET UP A BOOK FUND.

Reason for this request: It is to set up a fund for reformed books and translation projects in Europe.

It is clear to us, and continues to be confirmed in the operation of the ministry, that God has designed and blessed our little ministry and its effectiveness and efficiency over its first 20 years.

Since God has shown us His plan for our ministry over the last 20 years, it appears reasonable to us and our counselors that we continue to be faithful and ask God to allow us to increase the outreach and effectiveness of the ministry into more of Europe. To do this we need more resources.

God has shown us over the years how he wants us to do this ministry. We at PEF believe it is time to ask the Lord to take the ministry to many more countries in Europe. God has clearly used the theological books given to nationals many times over. At this time in the history of Europe, the need to find, encourage, and disciple young European men into the Reformed faith and help them to receive theological training is urgent.

I am asking the Lord, and trusting Him, to give me another 10 or 15 years of ministry with PEF. If God blesses the ministry with a significant increase in funds, it will not change the way I “do business” just because there may be money in my PEF account. I will still depend on God to open doors so that He directs me to the countries where I serve. I will still rely on God to open doors and direct the ministry, but I want to be free to respond to needs generously, instead of always wrestling around for money for books and funds to translate those books.

This is a Prayer Request. It is a request consistent with how God has supplied our needs for 20 years. I want to ask you as people of God who pray for us, to pray that God would provide His resources directly to the ministry, so that we can expand the scope and influence of what God has begun to enable us to do in Europe. He has led us to a pattern of ministry, and we are asking God to provide the funds to expand the work of the ministry to more countries in Europe.

2. PLEASE PRAY FOR A DOUBLING OF MY MONTHLY PEF MINISTRY SUPPORT.

Reason for this request: To respond quickly and generously to new ministry opportunities.

God has kept our little ministry and our family in the black for our 20 years with PEF which is a wonderful testimony of God’s faithfulness. However, although all our ministry expenses are always covered, there is often not enough money for wages.

We are serious about expanding the ministry in Europe that God has developed through PEF. We pray that not only will God answer our prayers, but that you also will be encouraged to pray for this, and enjoy the blessings of this answered prayer in your midst.

With our love and prayers,
Firmly in His grip, Paddy.
