Paddy's
PRAYER REQUESTS

Verse for the month (Missions throughout Bible).

“If your presence does not go with us, do not send us up from here.”

Exodus 33:15

Praises: God's army, unlike other armies, where the strength of the General is in his troops, the Christian army, and every Christian in that army, finds its strength in their “General,” the God who created heaven and earth. Therefore, we can be confident to do great things for God, because Christ is on our side and has overcome death and Satan. However, our God not only fights against His flagrant and willful enemies, but also those of us who bear His name, when we refuse to repent as in the history of old covenant Israel.

Requests: **Please pray that God will bless our little ministry with increased funding in 2011, to meet the growing ministry opportunities before us. Thank you.** We still receive our monthly PEF salary, that we did 22 years ago, of \$2,750 a month. Unfortunately, much of the time, although we have been blessed with full funding for ministry expenses, there is often little money for wages.
