

Prayer for Dinner at the Frisbees, March 19

Some of you might remember Tom Eaton from Kathleen, GA, who was treated at RCOG in 2004. He passed away March 16 of pancreatic cancer. The funeral is Tuesday of this week, and I know you will want to be praying for his wife, Juanita, and the family.

Please also pray for our friend and helper Mary Judith Crawford. She had a knee replacement just over a week ago. She is home and doing well, but gets discouraged. She has always been so active ... and will be homebound for almost 2 more weeks.

Another friend and helper, Chuck Bliss, has been having pain and swelling in a knee for some time. He's been under a doctor's care, but has injured it again. Please pray for healing for him.

.....

Sometimes RCOG alumni drop in for a visit on their way back north from FL. We're looking forward to having 2 couples tomorrow night for dinner-- Ed and Ellie Justice (2006) headed for Indiana, and Wayne and Carol Whitaker (2002) bound for Maine. Renewing old friendships is one of the things that makes what we do special for us!

We have 2 new helpers Kim and her daughter Ansley have been here several times to help decorate. They were here this afternoon, and it's really nice to see some fresh ideas ☺ The theme is the 50's and the tables look cool! Hopefully the food will be hot and delicious..... we're cooking a 17 pound roast! I've cooked very little beef for the dinners, but was on the verge of cackling like a chicken, so decided it was time for a change. Our new tuba/bass player, George, is bringing an Elvis look-alike and singer to go with the theme. It sounds like fun!

Once again we're expecting a large crowd – about 45, we think. There are some fine Christians in this group, a few non-believers, and new folks that we don't know well. Please pray they will all be refreshed and encouraged, and that the Holy Spirit will be in control of every part of the evening.

With love and appreciation,
Margaret – for Bill and the Team
