GREETINGS FROM ATLANTA

Ministry at Rock of Ages

At Rock of Ages, we continue to see the Lord working in the lives of people. Sam, a truck driver that travels the East coast, recently told us that he had given his heart to the Lord. During one of the church services he was convicted by the Holy Spirit of his sin. Another lady, Castle, who has recently started attending the church seems to be quite the spokesman for the Lord and the gospel. We thank God for Sam's profession of faith and for Castle who really wants to understand the deeper truths of God and His Word.

The Tuesday night Bible study is now open to women. We are studying the life of Christ. The study has really provoked interest and learning. One of our young

ministry team leaders, Martin Fears, is doing a wonderful job in leading the study. We thank the Lord for this study and how it is really helping to discipline people in the faith.

Dr. Ben Wilkinson, our founding pastor, has had to stop picking up the bread be-

cause of health problems. His physician says he should not lift anything over five (5) pounds. Dr. Ben has also stopped driving, too. So, please pray that the Lord will send someone soon to continue this ministry of picking up and delivering the bread.

The Agape Puppets in Atlanta

The Agape Puppets, from Summerville, GA, under the direction of Mrs. Linda Summer, a PEF Team Member, have just finished two afternoons of puppet shows in the intense heat of midsummer in downtown Atlanta. Let me share with you how the Lord worked out a show that was not

Agape con't:

Linda and Mike Summer.
(The people not the puppets)

even sched-
uled. On
Monday,
they had a
show at a
large apart-
ment com-
plex in the
Northwest
part of the
city. It was not

well attended. (Probably from the heat.)
But someone told us that the Boys/Girls
Club of Atlanta would be a good place to
do the show. Linda called the director and
he said we could come. It was inside the
gymnasium, AIR-CONDITIONED with 55
young people eager to hear this presenta-
tion. They were thrilled and wanted us to
come back next year. And several prayed
to receive Christ as their savior, too. Is
that not the providence of God!

FAMILY UPDATES

Our two sons, Andrew and Aaron, just re-
turned from a one week missionary trip to Jamaica.
They worked hard but had a good time. Julianne
continues to be the bookkeeper at Rock of Ages. She
does a very efficient job. I hope soon to be further
along in my theological training through life training
credits. If all goes well it would give me 21 more cred-
its.

I want to thank Grace Presbyterian Church in
Peoria, Illinois, for their donation of a 1992 Toyota
van to the Rock of Ages church.

In July, Julianne, Aaron and I attend the PEF
Family Evangelism Conference, in Bristol, TN. We
also had Archie and Eleanor Shelor with us for the
trip. The Lord blessed our time together and at the
conference. Please plan to come with us next year.
The dates are July 15-21, 2006.

Again I want to thank you all so much for
your prayers, gifts, and encouragement. Your contin-
ued prayers that God would subdue the satanic forces
that not only wreak havoc on the unbelieving and un-
godly but upon Christians, too. Pray for our constant
protection and deliverance from evil. The victory is in
Christ. P.T.L.!!
