Greetings Friends and supporters,

God is good and He is good all the time. Since I last spoke to you there have been many good things happening. First, the van the Lord provided for us (complements of Grace Presbyterian Church in Peoria, IL.) It has made its way to Atlanta to take us to and fro. Thank-you Grace Church!

Ministry at Rock of Ages

Our Bible study at Rock of Ages Church continues to be tremendous. You might be saying "How can a Bible study be so tremendous?" Our teacher Martin who is only 25 years old has been granted zeal and understanding from our Lord. He is being used by God to ground the attendees in basic Christian doctrine and challenge us to study the Scriptures on our own. The lessons concerning the doctrines of grace and how God calls a person to himself have been very enlightening. One particular man named Emmanuel has had a lot of questions concerning his faith answered by Martin. Larry, who has been a member of the church for 10 years has really come along in his understanding of the Bible.

My Bible study with the elderly at the Northside Shepherd's Center has expanded. Now we are also going monthly to Cathedral Towers on the same day we go to Shepherd's but at a different time. Fred and I can testify that God is in this outreach to minister to these folks. Fred provides the music. We were pleased by the numbers who came to listen and those who spoke to us afterwards of how blessed they were. Pray for Fred as he considers how he might be used to minister to senior citizens on an even greater basis than our current three stops a

month.

Rumors are saying that Rock of Ages has moved. We have NOT. Yes, there is a possibility we may have to move, but not at the present time. Do keep us in your prayers for the Lord to give us wisdom on where to go if the management

were to give us notice. Meanwhile we will continue to minister from our current location. Lastly, the Bread and literature distribution which I do on Wednesdays

and Saturdays continues to be a blessing. Recently a couple from Grace church, the Endres, were able to join me on a Wednesday bread run. We had a great time of fellowship and outreach. They challenged me to get more people involved in Rock of Ages activities. In conclusion, I ask you to continue to pray for us, the work of Rock of Ages Church, my seniors outreach, and for individuals to support our ministry. Pray for our son Aaron to get a job and for the Lord's leading as to his life's calling. Andrew is working full time and studying electrical maintenance. Julianne is the bookkeeper at Rock of Ages Church. She does a very good job and is very thorough. We thank the Lord for her service to the church.
