

## Agape Children's Ministry

Well we are just about complete with the packing. If the airlines did not give us an extra 10kg each then I do not know what we would have done. Tomorrow we leave Cape Town and fly via Johannesburg and Madrid in Spain to Athens. Our arrival time is 15.50 pm. We have about an hour and half train ride down to Piraeus from where we will catch the ferry to Crete. The ferry leaves at 21.00 and arrives in Chania at 05.30 Sunday morning.

We will take part in the Church service that Sunday morning.

George in Greece has arranged the following events:

- \* A kindergarten school at the place where we will be staying.
- \* Events in Kavros and possibly in Georgioupolis are being arranged by a God fearing man who is a first grade teacher.
- \* They are inviting all the village children to their house for two events.
- \* They are busy arranging an event for us at the children's ward in the local hospital. Pray that the Greek Orthodox priest wont hinder this.
- \* And there may be an orphanage as well.

The focus is very much on the un-churched.

This week before we arrive a Y.W.A.M team from elsewhere is spending 14 days in prayer for Crete and the whole of Operation Gideon 2

We leave Crete and return to Athens on the 27/28 July.

At Porto Astro the programme is as follows:

2 days of Orientation and instruction.

We leave for the island of Rhodes where we will have:

2 days of prayer and fasting then

2 days of proclamation and hopefully lots of shows for children

2 days of literature distribution.

We return to Porto Astro in Athens for report back and celebration.

We fly back home on the 10 August (18:30) and arrive in Cape Town at 14.45pm on the 11th August 2006.

Please pray for the children, that many may come to a saving knowledge of the LORD JESUS CHRIST.

Pray that doors will be opened for us to do many more shows than listed here.

Pray for the other members of the team that we may work well together.

Pray for our equipment, our new light weight stage, new puppets.
