

Dear in the Lord,

Shalom! It has been a while ever since I last communicated to you! We are doing well and ministry is going on very well. Praise the Lord for we are making another year of ministry on 27th November. We started the ministry officially on November 27, 2003. We are, therefore, having thanksgiving service on Sunday, of 26.

All men are considered as traveling. The journey of our ministry started on November 27, 2003. The Church of Christ, in Lugazi started a journey and it is growing until eternity. Our journey at Hallelujah Christian Church in Namengo, Lugazi, and the enterprise is not contrived by ourselves. We are commissioned to accomplish this mission by a superior and irresistible hand. We have seen the sovereignty of God in dependence upon Him for aid, guidance and protection. God is carrying us on day after day.

We would like congratulate all our prayerful support for all your love. I would like especially to thank you for helping us in extending the Kingdom of God in Africa. We are registering progress day by day due to your prayerful efforts to our Faithful God. Thanks very much!

Our Vision 2013

1. We are praying for the Lord to make us establish a network of Evangelists to reach across Lugazi; to hospitals, prisons, factories and families. This will be by training lay evangelists (300).
2. We are praying to be committed to training disciples through small group and one –to- one who will be committed to the faithful to ministry of the church (1500).
3. We are praying to plant 60 rural churches, especially by sending local missionaries to unreached villages in Uganda, Sudan and Congo.
4. And lastly but not least, we going to open rural training center for pastors and lay leaders in the three countries of Uganda, Sudan and Congo.

Testimony

God is faithful to the ministry here in Lugazi. When I arrived from South Korea, after my studies, God gave me prayer partners for this mission field (Lugazi). We bought a piece of land by the efforts of your prayers. Our core group, I (Konyi John Aluwe), John Ruhinda and Alex Mukisa. God blessed us with one soul in our first process of evangelism; this was a lady working at a restaurant. Then in the next week, God added one young lady, called Namugalu Robinah. She accepted Christ and now she is still in the Church. After we started with attendance of 20 people. We are now having 22 lay ministers. We praise the Lord, for you because you received the blessing. Believed the blessing and you shared with us. As Paul comments "...we received grace... to call people from among all gentiles to the obedience that comes from faith . . . the righteous will live by faith (Rom. 1:5,6). Thanks for being partners with us for the Gospel of Our Lord Jesus Christ. Let the Lord of harvest continually bless you all.

Prayer Request

There will be thanksgiving, as mentioned, please pray with us for those "seekers" who will come - that they will accept Christ. We are preparing thanks for evangelism. We are praying for God to give us at least five people to accept Christ and remain in the Church to be disciplined. For this matter pray for the proper organization.

Pray for provision, we received half of the budget as pledged by Church members. We expecting for the remaining half.

Thanks from Namengo, Lugazi
Yours on their behalf
Konyi John Aluwe
