

Will You not
revive us again,
That Your people
may rejoice in You?

Psalm 85:6

A Cry for Revival in Bulgaria

A Cry in Panagyurishte

For many years, the church in Panagyurishte cry to God in prayer, to be brought back from “exile” in to possession of the church building. The Lord graciously answer that prayer and the new planted church entered triumphant in to the church property.

But now, the Cry of God’s people in Panagyurishte is for Revival in the church ,witch will also effect the community .The Lord is opening our eyes for the need of Revival through the expository preaching of Emanuel on the books of Ezra and Nehemiah. We already see similarity between God’s people Israel and the church in Panagyurishte:

1. God is sovereign in History .He ruled over the Babylonian empire as well as over the Soviet .The return of Israel from exile in Babylon and the return of the church property to the church in Panagyurishte happened on God’s perfect time. In both cases ,the Lord used people(believers and nonbelievers) to fulfilled His sovereign plan.
2. Israel restored the worship of the living God. The people of God rebuild the alter, restored the offer of sacrifices and the keeping of the Feasts in accordance to the law of God. The church in Panagyurishte also restored the worship of God with morning and evening services on the Lord’s day and prayer meeting services on Wednesday. We are convinced, that the worship of God in unison of His word is of great importance. It is such a blessing

for the church to have a building but even grater blessing is to worship regularly our living God “in spirit and in truth”.

3. Restoration of the physical temple is important but to build the spiritual temple is of far more value. One of the pictures, used in the NT ,for the church is a Holy Temple. So our 1-st priority is to see Christ temple build up and then renovate the church building to be again a place for worship.

From the books of Ezra and Nehemiah we also learn which are the true marks and fruits of the Biblical Revival So if and when God sends Revival, we will be sure that it is of the Lord.

1. Hunger and thirst for God’s word: God’s people stand many hours to listen carefully the voice of the Lord
2. Conviction of sin, prayer and fasting, greave and joy, repentance and faith
3. God’s people confirm the Covenant with the Lord. Yes,our loving Father is sending drops,but we are crying for showers of blessing from above!

A Cry in Velingrad

Because of God’s mercy ,there were two pastor’s conferences in Velingrad entitled :

The Biblical Revival - the day of God’s power!

August 18-23 with :

Harry Miller : True Revival = God’s centered !

Tom Champness : Basic Christian doctrines !

September 10-12 with:
 Neil Stewart : Our need for Revival!

 The fellowship with brothers and sisters from all over the world was warm, sweet and much encouraging .The teachings on the topic of Revival were deep, moving and demanding repentance and urgent prayer for true Revival on our dry land!
